## **FY2015 3Q: INSURANCE PAYMENTS REPORT** **3,748 payments for the first nine months of FY2015**

TOKYO, January 15, 2016 - LIFENET INSURANCE COMPANY (TSE Mothers 7157, President & COO Daisuke Iwase, URL: <http://ir.lifenet-seimei.co.jp/en/>) announces the report on the number of insurance payments for the third quarter of fiscal 2015, ending March 31, 2016.

The number of insurance payments made in the third quarter of FY2015 resulted in 1,286 cases, 7 of which were insurance claims and the remaining 1,279 benefit claims. There were 33 incidents which were assessed to be inapplicable during the same quarter. As a result, the number of insurance payments made in the first nine months of FY2015 (April through December) resulted in 3,748 cases, 36 of which were insurance claims and 3,712 benefits, and there were 114 incidents which were assessed to be inapplicable during the same period.

Lifenet believes the most important responsibility for an insurance company is to make claim payments accurately and without delay, and we thrive to continue to accomplish this. Lifenet makes every effort to ensure payment of insurance claims and benefits are made to the designated account within 5 business days<sup>\*1</sup> of receiving all necessary documents. In the first nine months of FY2015, the average insurance payment was made in 2.56 business days.<sup>\*1</sup>

\*1 Number of days is business day, with the day Lifenet receives all necessary documents counted as the first day. Does not include the number of days required to obtain lacking documents. Cases which required fact confirmation before insurance payments were made are not included when calculating the average number of days required for payment.

\*2 The number of payments made may differ from the number of policies as there may be multiple claims made from one policy.

\*3 The number of benefit payments for long-term disability is a total of all monthly individual claim applications during the specified period, and may differ from the number of payments and/or number of claimants. During the first nine months of FY2015, the number of claimants who were paid disability benefits was 21.
