*1: Annualized premium is the amount of money equivalent to what is to be paid to have the insurance coverage for one year. All payments for Lifenet products are in monthly installments, thus the annualized premium is calculated as multiplying the monthly premium by 12 months.

*2: This report is preliminary and may be different from the final settlement report.

*3: Sum insured of new business and sum insured of policies-in-force are the sum of death coverage, and do not include medical and survival coverage.
