■The LIFENET Health Management Declaration

For aiming to be a company where people work energetically, we have made the LIFENET Health Management Declaration. We are promoting health and fitness to work in good physical and mental condition to be a company that supports the lifestyle of our customers.

Going forward, we will continue to develop a system to promote health and productivity management strategically through the company and take health-related actions. We will improve health literacy and implement health promotion measures through training and periodic monitoring for all officers and employees.

■The Certified Health & Productivity Management Outstanding Organizations Recognition Program

The Certified Health & Productivity Management Outstanding Organizations Recognition Program was established by METI in fiscal 2016, with the aim of creating an environment in which corporations can be evaluated by employees, job applicants, other companies, financial institutions, and others by making them transparent.

This year, 19,796 organizations in the "Small and Medium-Sized Corporations" category were recognized the Certified Health & Productivity Management Outstanding Organizations Recognition Program.

About LIFENET URL: <https://ir.lifenet-seimei.co.jp/en/>
