\*1: Annualized premium is the amount of money equivalent to what is to be paid to have the insurance coverage for one year. All payments for Lifenet products are in monthly installments, we calculate annualized premium as multiplying the monthly premium (for GCL, expected premium income for the next month based on the in-force business) by 12 months.

\*2: This report is preliminary and may be different from the final settlement report.

\*3: The surrender and lapse ratio is the annual equivalent of the monthly number of policies surrendered and/or lapsed divided by the monthly average number of policies-in-force.
