Notice Regarding Selection of Constituent Stocks for the “JPX Start-Up Acceleration 100 Index”

TOKYO, February 24, 2026 – LIFENET INSURANCE COMPANY (TSE Prime 7157, President Junpei Yokozawa, URL: <https://ir.lifenet-seimei.co.jp/en/>) announces that it has been selected as a constituent of the new "JPX Start-Up Acceleration 100 Index," calculated by JPX Market Innovation & Research, Inc. (JPXI), which consists of Japan's leading high-growth startups.

"JPX Start-Up Acceleration 100 Index" is a newly launched stock index focusing on the growth potential of emerging companies. It covers stocks listed on the TSE Growth Market and those that have transferred from that market within a certain period, consisting of 100 leading high-growth startups in Japan. The selection uses sales growth rate and market capitalization growth rate as metrics to measure growth potential. Lifenet is scheduled to be included as a constituent from March 9, 2026, when real-time calculation and distribution of the index will begin. We changed its listing market from the TSE Growth Market to the Prime Market on July 25, 2025.

We will continue to aim for further enhancement of corporate value and sustainable growth to meet the expectations of our stakeholders, including shareholders and investors.
