FY2012 Q2: CUSTOMER INQUIRY REPORT

**Awarded the Best Contact Center of the Year 2012
 Recognition Award for Quality Improvement**

TOKYO, October 15, 2012 - LIFENET INSURANCE COMPANY (“Lifenet”; TSE Mothers 7157, President/Founder: Haruaki Deguchi, URL: <http://ir.lifenet-seimei.co.jp/en/>) announces the report on the number of inquiries from customers for the second quarter of fiscal year 2012, ending March 31, 2013.

In the second quarter of FY2012, we received a total of 16,026 inquiries. This is 84.9% the number of inquiries of the previous quarter, and 78.6% compared to the same quarter of the previous fiscal year. The number of complaints continued to remain low at 0.8% (128 of the 16,026 cases) as a result of the constant improvement in the quality of service provided by our contact center, and enhancement of our website aimed to improve comprehensibility. Accordingly, the total number of inquiries received in the first half of FY2012 (April through September) stands at 34,908 with a total of 252 complaints.

At Lifenet, we view customer inquiries as a valuable asset to continuously better our products and services. All inquiries received are compiled and analyzed, and are reflected directly in our daily operations by the company as a whole for the purpose of maximizing customer satisfaction. Such unending efforts were acknowledged, and Lifenet was awarded the Best Contact Center of the Year 2012 Recognition Award for Quality Improvement by the Japan Institute of Information Technology this past July.

1. Number of inquiries and complaints from customers
