FY2014 1Q: INSURANCE PAYMENTS REPORT **1,241 payments for the 1Q of FY2014**

TOKYO, July 15, 2014 - LIFENET INSURANCE COMPANY (TSE Mothers 7157, President & COO Daisuke Iwase, URL: <http://ir.lifenet-seimei.co.jp/en/>) announces the report on the number of insurance payments for the first quarter of fiscal 2014, ending March 31, 2015.

The number of insurance payments made in the first quarter of FY2014 resulted in 1,241 cases, 19 of which were insurance claims and the remaining 1,222 benefit claims. There were 56 incidents which were assessed to be inapplicable during the same quarter.

Lifenet believes the most important responsibility for an insurance company is to make claim payments accurately and without delay, and we thrive to continue to accomplish this. Lifenet makes every effort to ensure payment of insurance claims and benefits are made to the designated account within 5 business days^{*1} of receiving all necessary documents.

Since Lifenet has made improvements to the insurance claim and benefit payment process in February 2014, it is possible for payments to be made to the designated bank account in a minimum of two days^{*1} after Lifenet receives all necessary documents. As the result of that, in the first quarter of FY2014, the average insurance payment was made in 2.84 business days.^{*1}

*1 Number of days is business day, with the day Lifenet receives all necessary documents counted as the first day. Does not include the number of days required to obtain lacking documents. Cases which required fact confirmation before insurance payments were made are not included when calculating the average number of days required for payment.

*2 The number of payments made may differ from the number of policies as there may be multiple claims made from one policy.

*3 The number of benefit payments for long-term disability is a total of all monthly individual claim applications during the specified period, and may differ from the number of payments and/or number of claimants. During the first quarter of FY2014, the number of claimants who were paid disability benefits was 9.

*4 There were no payments for New “Jibun” and New “Jibun” for Women during the first quarter of FY2014.
